### **We Value Military Members**

Cognizant strives to provide a positive work place for military veterans and facilitate an easier transition back into civilian life with careers that utilize their advanced leadership skills and strong work ethic. Our mission is to support and enrich the careers of those who have served while also enriching Cognizant as an organization and the services the company provides to clients. The program focuses on Corporate Culture, Leadership, Recruitment, Onboarding, and Career Growth and Support, areas of emphasis designed to create a robust Veteran employee experience.
